### ***Cage Madness 2014: Expandable Cage Technologies & Complete Complex Spine Solutions***

ST. LOUIS, MO (January 22, 2014) – *ulrich medical USA*, Inc., today announced the 2014 faculty and program highlights for the fourth annual *Cage Madness* Spine Education Forum and Bioskills Training to be held in Las Vegas, Nevada on March 22, 2014. The training will take place at the Medical Education and Research Institute of Nevada (MERIN).

The course faculty includes:

- ***John G. DeVine, M.D.*** Augusta, Georgia  
*Spondylitic Myelopathy and Kyphotic Deformity*
- ***Nathan Nair, M.D.*** Assistant Professor, MedStar Georgetown University Hospital  
Washington, D.C.  
*Thoracolumbar Corpectomy Techniques- Lateral Approach*
- ***Andrew Park, M.D.*** Fellowship Director, Dallas Spine Reconstruction Program  
Baylor University Medical Center, Dallas, Texas  
*Anterior Approach to Lumbar Vertebrectomy*
- ***Alpesh A. Patel, M.D. FACS*** Associate Professor, Chief of Orthopaedic Spine Surgery  
Northwestern University School of Medicine, Chicago, Illinois  
*Posterior Thoracolumbar Corpectomy Techniques*

The faculty will each be presenting a lecture relating to complex spine surgery techniques in vertebral body replacement, as well as teaching a bioskills station where surgeons can observe and practice advanced surgery techniques in complete complex spine solutions.

For surgeons interested in attending this program, please email your inquiry to [e.laskey@ulrichmedicalusa.com](mailto:e.laskey@ulrichmedicalusa.com)
